

AURORA

Card code: 0PAAR091
 Design code:
 Designer: Bellitalia Design

Description: The Aurora table, made of UTC (Ultra Tense Concrete), consists of a monolithic bridge-shaped table with a triangular cross-section and a slight convexity on the upper surface that favours water drainage. The table is designed to be combined with the Alba seat.

Dimensions: L 2250 mm
 W 900 mm
 H 750 mm
 479 kg

Materials: UTC

Finishes: Smooth Formwork, or "Matte" or "Glossy"
 Anti-degradation painting

Installation: Simply resting on the pavement or fixed to the ground using threaded rods and a chemical anchor for greater product stability and security

Accessories: Anti-Graffiti
